VERNONIA CAMPOUT NEWS: I am reporting for Co-Chairman, BUCK MILLIGAN, who was unable to attend the campout because of a family reunion in Colorado and a broken down motorhome. (He drove to the reunion in his car.) He did, manage to help Lee get the stage up there before he left. We missed you, Buck and Susie, but LEE JONES did a fine job!

We didn't have as many this year as we did the first campout, but those who came had a great time and DIDN'T WANT TO LEAVE! We had good weather - a little hot during the day but cool enough at nite to have a campfire (in front of stage) and even add an extra blanket or a coat as we sat and watched each other do our stuff at the nightly shows. MR. MAIKEN shared stories about his life and family crossing the plains from the book he will be publishing called "Grandpa, Who are You?" We really enjoyed the readings. During the days, one could see lawn chairs in the creek with ladies soaking their feet, others were swimming, wading, riding in inner tubes over the ripples and one was sitting waist deep guarding the 5 large watermelons as they cooled! Up by the cookhouse, where it was always shady and cool, people jammed all day long. They even moved MINNIE BENNETT's piano up there. RUSTY & VI MODRELL cooked breakfast outside for the campers at 7:30 each morning. WALT BENSON was up at 5:30, building fires, while DULCIE FAST brewed the coffee. We had pot lucks on the spur of the moment that kept our ladies busy and a weiner roast & watermelon feed, thanks to our good shoppers, CHUCK & ANN WILLIAMS. We had no casualties - but we were prepared for anything, with our "Camp Doctor & Nurse" close by. Thanks, JIM & CAROL LOCKARD. BOB FAST & LEE JONES finished the stage that looked very nice, especially after WALT BENSON hung the American flag and set up our large Fiddler sign. District 7 Co-Chairman, FORREST JACKLIN, added the PA system and we were set to go. The days just flew!

On Saturday, PHIL EMERT came from Pendleton to barbeque 40 big chickens and later we gave the raw gizzards & hearts away to 4 lucky winners whose names were drawn! Were they surprised! LEE JONES did a good job auctioning off the leftover eggs and bags of charcoal. His wife, RUTH JONES, kept busy oil painting a picture of the "little ole cabin" that was presented to the MAIKENS later that night. Ruth also made a get-well card for ED MEAD, who was in the hospital. Sure is beautiful, isn't it, Ed?

Everyone was up bright and early on the last day and helped clean camp before bidding each other "so long" until next year. They will be back - just ask them.! And, as we all know in every camp, there is an "uncomely" side, but, thanks to the RAU family from Mist, OR and BILL YOHEY, all our trash and garbage was taken care of and camp was left clean and tidy.

This camp was totally supported by the District 6,7 & 8 special jams, held earlier in the year. The money from these 3 jams was turned over to the State Treasurer to be used specifically for the Vernonia Campout. We ended up with a balance of \$5.40, after expenses. All districts were welcome and Districts 5, 6, 7, 8 & 9 and Washington, were represented. We know it is quite a way to come for some of you but it is definitely worth attending!

Next year, the dates are to be JULY 16-19 and I would like to see it extended through the 20th. Please, let's have some input on this. BOB FAST will be Chairman, LEW HOLT will be Co-Chairman, and LEE JONES will be "Jack-of-all-Trades" and Auctioneer of surplus supplies, unless HELEN HAKANSON comes! Ask her to sing the Auctioneer's Song and you'll know what I mean - besides, she is getting famous fast for her huckleberry pies. How about the recipe, Helen? RUSTY & VI MODRELL will man (and woman) the grill again, assisted by WALT BENSON & DULCIE FAST.

To let you all know now, a free-will offering will be taken in addition to the 3 Special Jams next year. We hope you mark these dates on your calendar and plan to attend! God Bless you all till we meet again,

MAXINE BENSON

DISTRICT 1

Hello, fiddling friends. Seems it's time for Dist. 1 to be reporting. It seems everyone is too busy this time of the summer. Hard to slow down to think.

Sunday, Faye & Isom Patterson's nice back yard was the scene of a great jam and get-together. There were 50 people there to enjoy the delicious barbequed hamburgers and potluck. It was a very nice cool day. There was lots of good music and visiting. Mr. & Mrs. Ben Brown, from Bakersfield, Calif, came by and enjoyed meeting the fiddlers.

Everyone is so busy fiddling around in August, they decided not to have any regular Jam. July 27th, the fiddlers will be at the Bonanza Big Springs Carnival for a busy and full day. Parade will be at 10 a.m. and lots of different activities are planned, such as a barbequed steak dinner.

July 28 we will be fiddling at the nursing homes. Aug. 1 will be fun nite at the Shasta Way Grange Hall. Come and enjoy the practise session.

Aug 9, the fiddlers play at the Klamath County Fair at the Klamath County Fairgrounds from 4 to 6 p.m. Aug. 25th they fiddle at the Running Y Ranch.

Many of our members have been pretty busy during July. This summer, Tony Spatz entered fiddle contests in Cortez, Weiser and Burns, placing 2nd, 4th and 6th. The O'Neal's are still in Texas.

Members played on the float at the Sisters Rodeo Parade in June. We will be on a float in the Deschutes County Fair Parade, August 3rd, in Redmond.

Lois Chisholm is still ailing, but recovering at home. She and Vollie went to Washington in July to attend a nephew's funeral.

Congratulations and thank you to our Chairman and members of Dist. 4's OTFA for receiving "First Place Trophy" in the musical division of the parade in the 4th of July Celebration in Central Point. We are proud of you. Those who attended the jam in Tri City on July 7th seemed to have an enjoyable afternoon in spite of the heat. Thank you Glen Brown and Dorothy Houston for your assistance in obtaining the hall, and Dorothy for a nice job of emceeing. Everyone's help is very much appreciated. We had 23 entrances in the afternoon program, of fiddlers and specials. W. C. Pigg, a guest fiddler from Wash. state, joined in, and O.W. Perini, of Dist. 6, gave us a banjo special. Guests are always welcome.

On Aug. 11th there will be a picnic and jam for all members and their families at Palmerton Park in Rogue River. Meat, rolls, and beverages will be furnished by the district, so please bring accompanying dishes for the porluck, and your own table service. You might think of a comfortable chair, also. The park will be open at 10 a.m. and you can stay until dusk! Plan to eat at approximately 1 p.m. All come and have an enjoyable day together. Refer to July Hoedowner for directions to the park. Several played at the Hanley Ranch located on Old Stage Rd. on July 28th for the Jackson Co. Historical Society. Thanks, members.

On Sept. 7th, Dist. 4 is co-sponsoring with Dist. 5 & 6. the Benefit for

the Civic Center at Drain. This is to be considered as our Sept. jam and meeting. Hopefully many can come. Attention, Dist. 4 North: There is to be a business meeting before the Jam, at about 10 a.m. State Pres., Maxine Benson, will be present and there are many important details to be discussed, so please try to attend. Thanks, D. Winkelman, Chmn.

Sept. 14th is the annual Talent Harvest Festival and OTFA members are invited to be in the program on stage in the afternoon.

This is a busy time for our fiddlers, with Canyonville contest coming up and Williams Campout, and all the playing at Sr. centers and rest homes.

Our prayers and best wishes are being extended to members Weyburn Kenyon and Ted Hammond, who have both been hospitalized and receiving treatments lately. Hope you both are back home and doing well.

Congratulations to Jack and Clemmie McCasland, who celebrated their Golden Wedding Anniversary on July 4th, and to Stanley and Dorothea Rogge, who celebrated their Silver Wedding Anniversary on July 30th.

The children of Chris and Otha (Tex) Looper request the pleasure of your company at an Open House in honor of the Fiftieth Wedding Anniversary of their parents, August 17, 1985, from 2 to 6 p.m., at the Talent Community Center, 204 E. Main, Talent, Oregon. (No gifts, please).

Sept. 29	Cranberry Jam (Sounds good enough to eat)

This one sure slipped up on me - just about missed it - still up in the air over the fine campout at Vernonia. I know that all of you couldn't attend but you sure missed a good time. It was one of the greatest "fiddling" experiences that I have had. Alice and I want to thank all of you for being so friendly and for sharing your music with us. It is on our calendar for next year.

By the time that you read this, the jam at Winchester Bay will be behind us. We hope that you joined us on the 28th.

We started the month off by fiddling for the seniors down at Langlois on the 5th of July. I hope that our playing was as good as their potluck.

And then, on Saturday, Carl Dean, Mapril Combs, Alice Holt, John Allen, Gene Gosney and I played at the North Bend Jubilee Celebration. It was one of those warm afternoons along the coast. We had an appreciative audience and it was fun playing for them. That night we went out to Greenacres for a hamburger, a business meeting, and an evening of fiddling. We ended up with a good crowd of musicians and dancers. It was good to have Warren Baker join us from District 4. Shorty Dow brought his guests, Jim Summers and Art Deeks, who did some trick fiddling for us. I was pleased to be able to sign up four new members.

The next Saturday night, the 10th, we met at the Senior Center in Coos Bay to play for their dance. Bob Shaffar, John Allen, Alice Holt, Norma Allen, Bud Bishop, Fred Virtue, Carl Dean and I played for the dancers. Abbie Shaffar, Betty Lively, Jerene Shaffar, Murrel Walton, Dale Alley, Shorty Dow, Ella Savery, Joe Graham, Dan Pullis, Ruth Holmes, Al Lively and Ernest Allen made up a long list of back up.

We look forward to next month when we will play for the dance at Greenacres on the 3rd. For those of you who don't know where Greenacres is, 'tis easy.

Just go south out of Coos Bay, turn on to Highway 42 towards Coquille. You'll see a Texaco Station and then the Greenacres Exit signs. It is almost tricky - turn left from the left lane, stop at the stop sign, and then cross down the hill, over the R.R. tracks, the slough, keep on the blacktop to the right at the Junction and just over the hill, across from the Country Store is the Greenacres Grange. Now you have no excuse for not joining us sometime. You can come at 6:00 for one of Glenn's famous hamburgers and we'll start playing about 7:30. The next Saturday night, on the 10th, we will be in Coos Bay at the Senior Center. We'll start at 7:30 and then pause during the evening for "finger food". Hope that you'll join us. On the 24th we play at the Blackberry Festival in Coos Bay. I don't have the time yet so I'll have to get the word around to you.

In a couple of weeks, Alice and I are going to put our fiddles in our camper and take off for 3 months or so. We plan on a leisure trip across the U.S. into eastern Canada, and then back down into Vermont for the fall color in October. We'll follow the color down the east coast and then start for home. We'll be back in November sometime. We have no deadlines, no telephone, no TV - just going to be gypsies but we will think of our good fiddle friends back in Oregon. See ya' when we get back.

District 5 members extend our love to Paul Williams, whose wife, Jessie, passed away recently. We look forward to having Paul's bass as our back-up again.

DISTRICT 6

After about 1,000 staples and many hours of work, by Maxine & Walt Benson, Vilas Sansom, John & Vivien Steele, Jack Walker and players for the float (Earl & Dorothy Payne, Jack Salley, Darla Miller, Stan Gonshorowski, Elsie Bostick, who played music on our float and Thelma Salley who distributed candy to the crowd) our Oldtime Fiddler's Float won FIRST PRIZE in the 4th of July Parade in Springfield. Many thanks to our driver, Mike Moore, to Arnold Canning, John Steele and Philip Walker for supervising parking, to Betty Canning for the lovely calligraphy & artwork on the flyers, to Dorothy Sansom for the meal tickets and Parking Permits, Virginia Anderson Fred Anderson and Cleone Hoiting for taking care of the hotdog kitchen (for fiddlers), to Gaylen and Jeanie Morris for the fine P.A. set-up, to Stella Barta & Vera Kinnaman for the beverage area (coffee and pop) to Benson Trucking Co. for the truck for the float, to Weyerhouser Co. for paper for the float, and Mike Booher and Walt Benson who dismantled the float. Wayne Holmes MC'd the afternoon jam which was opened by presentation of the flags by local representatives of the VFW, and patriotic songs by LuAnn Johnson. A fine slate of musicians played all afternoon until 7:00 p.m. Our district was paid \$125.00 by the Centennial Committee for playing, and this paid for players food and refreshments. "Smitty" Smith took first place in the YODELING CONTEST, with Ella Savery (from North Bend) taking SECOND PLACE. These groups provided specials during the afternoon: Stan's Oldtime Band, Country Cousins and the Booher Family.

July 14th saw a great group of musicians gather at Cottage Grove for their annual Bohemia Days' Fiddle Show, MC'd by Wayne Holmes. We always look forward to this each year, and so does the audience.

While some members were away at the Vernonia Campout, others played July 20th for the Lowell Happy Daze Celebration. We played 3 different places there during the afternoon and were treated to delicious chicken dinner.

On July 23rd over 50 members gathered at the park by the river in Springfield for a members' picnic and impromptu jam. Oh what fun! Many thanks to all who worked so hard to make it successful. We gotta do that again!

July 27th, a group went to the Mary Cole Days in Marcola and played all afternoon. The sun was pretty hot, so we found a shady spot under the trees to set up our equipment and play to a lively crowd.

July 28th was the last day of the Applegate Trail Days at Elmira. We jammed early in the afternoon on the main platform, then had the local Fiddlers' Contest. Carol Lockard took first place, young Jeanie Morris won second place over her dad, Gaylen Morris, who won third place. Everett Bennett won fourth place. Aside from all the extra playing at granges and nursing homes the rest of July we just fiddled around, I guess.

Addie Gonshorowski was recently hospitalized with oral surgery & skin graft, but is home now and on the road to recovery (which doesn't happen overnight). Poco Boyd was hospitalized last week for emergency surgery but will probably be home by the time you read this. She doesn't feel like any company or phone calls, but I am sure she'd like a card of remembrance from you out there.

When Districts 4, 5, and 6 meet at Drain to play for the Benefit at the Drain Civic Center, Sept. 7th, District 6 WILL HAVE A VERY IMPORTANT BUSINESS MEETING at 10 a.m. at the same time Dist. 4 will have their meeting in another part of the same building. Please try to be there early enough for the meeting. A free barbeque dinner will be furnished to all musicians and spouses, but there will be a charge for all others. All proceeds of the offering that day will go to the Center.

Addie Gonshorowski has her bass fiddle for sale. If you are interested call 343-5868.

What a summer it has been for keeping warm and busy. Hope you are all having as much fun as possible.

A group of us went to the Oral Hull Park for the Blind, out of Sandy, on July 10 and gave a show for the campers. The park is a lovely facility to play in and the people are so appreciative. Thanks to all of you who came out.

Don't forget the Canby Fair Shows on August 14 at 11:30 a.m. to 1 p.m. and 8 p.m. to 9 p.m. Be there ahead of time to sign up. The fairs are always a lot of fun.

I'm happy to announce that Joanne Minato will be your reporter, starting with the next issue. She will write up all the news that's fit to print so let her know if you have items for the Hoedowner.

Sept 15 Jam Session, Salem Senior Center Salem

A good time was had by all at the Yachats Fish Fry and Jam. Large quantities of smelt were consumed, lots of music was played and complimentary comments were plentiful. Then, in the evening all went to Waldport Senior Center at the invitation of Jim & Bea Morris, where we jammed until about midnight then camped overnight. Jim was not feeling too well, but was able to join us for the potluck in the evening. We missed his fiddle, but hope to have him playing for us again soon.

Our next jam will be at the Salem Senior Center at 1055 Erixon St. on old Hwy. 99E on Sept 15. Doors open at 10, potluck at noon and jam starting at one.

Since Minnie asked me to write this for this month, I accepted at once so that I could use the space to comment on the Vernonia Campout. As far as I am concerned, and, according to comments from participants, it was successful. Everyone THAT CAME had a good time and enjoyed themselves. As chairman I want to thank the workers who made it possible. Bob and Dulcie Fast, Vi and Rusty Modrell, Walt and Maxine Benson, Phil Emert, Bill Yohey, and the Raus. Also included, but too numerous to mention are the eager volunteers

who helped in any way they could, like scrubbing barbecue grills, cleaning up, watching the gate and last but not least, helping to furnish music for the Vernonia Senior Citizen Center at their potluck. Thanks to everyone and especially to the participants who came to have fun. Attendance was down somewhat this year and I hope to see it improve in the future. Speaking from experience and a personal viewpoint it is an awful lot of work if people are not going to come.

Also a word about the Polk County Fair at Rickreall. Notice that THERE IS A TIME CHANGE. Instead of seven o'clock as it was last year, it is now going to be from THREE TO FIVE in the afternoon. I have already spoken for our original time for next year with a good chance of getting it. But, for this year we are stuck with the middle of the afternoon. So I hope everyone turns out and we can put on an impressive show again this year to give leverage for a more favorable time next year.

DISTRICT 9

Howdy folks! It looks like Dist. 9 has gone on vacation. Brick & Ellen Callaway are North to Alaska, Susi & Irv Smith are heading out on a month long motorcycle excursion, Lloyd & Rosilee Louie are away, the Cliff Pratt family is moving to Idaho, and Leonard & Edith Nechocea have been away visiting Edith's ailing father. Pickings were pretty slim for playing at the Sr. Center on July 21. The Duntens were playing at a dance in Drewsey, Susi Smith was at the Baker Contest, and Janet Burgess was fighting fire in the Eagle Cap Wilderness. Those who managed to attend the event and enjoy a delicious fried chicken dinner were Ruel Teague, John Murray, Darlene and Michelle Austin, Pat Scott, and Stacy Reynolds.

The state executive meeting is scheduled for Sept. 22 at the Bend Senior Center and will be co-hosted by Districts 3 & 9. Plans, so far, are for a jam Sat. evening, a business meeting 10 a.m. Sunday, and a potluck at 1 p.m. Jamming will follow the potluck with the public invited to attend. More information will follow in the next Hoedowner.

Now for the good news! Doug, Paula, Stacy and Monte Reynolds have moved back to Burns and Paula has graciously accepted the reporters job. Much as I've enjoyed visiting with you all each month I must say, "Go to it, Paula. It's ALL YOURS!" Take care, and happy fiddling, Folks,

JANET BURGESS, Reporter

Editor's Note: Janet sent the results of the High Desert Fiddlers' Contest which I plan to print next month. I am running out of space this month, but thank her for getting these to me.

I also forgot to give you Poco and David Boyd's new address. It is 4800 Barger Drive Sp. 84, Eugene, OR 97402.

I also have a long list of new members to welcome and print for you and will try to catch up on all of them for these past few months in Sept. Please make them all welcome to your districts so they can know the joys of being members of our fiddle family.
