NOTES FROM YOUR TOE TAPPEN PRESIDENT: Here it is October. Doesn't seem possible our summer is over. Fall always brings beautiful colors that go along with the fiddle music played by our faithful musicians.

This past month I have been very impressed with the willingness and helpful ways our Associate Members serve our Oregon Old Time Fiddlers. You are appreciated and we need you as well as all our musicians. Thanks for all the help you give.

The District Chairmen will be reporting back to you regarding our State Executive Meeting held in Canby, Sept. 28, 1991. They will be reporting that the Strawberry Festival Committee has decided not to help sponsor our OOTF Contest. We need your ideas as to how we can provide financial support for the Oregon State Certified Oldtime Fiddlers Contest to be held in May or June. You are a part of the OOTF and your suggestions are valuable.

"Laugh a lot and when you get older your wrinkles will be in the right place." Keep Fiddling,

Zelma

DISTRICT 1:

CHAIRMAN-Irene Ruddock; CO-CHAIRMAN-Charles Sandusky; SEC/TREAS-Faye Patterson

After a very busy summer we are back to our regular meetings. October 3 will be our fiddle contest for the young--3-21 years. We are hoping for a good turnout. We need our young people to join in and learn what the older fiddlers have played for many years. Music can be fun and a great accomplishment.

Friends of Vi Hackenberg held a going away party at the Klamath Senior Citizens Center. She plans to live with her daughter in Lovelock, NV. Good luck, Vi. Keep playing the fiddle.

Our members played for the Lakeview fair over the Labor Day weekend. Chuck and Betty Bruneau, former members of District 1, now of Sweet Home, came down

and helped to entertain the fair-goers. Thanks to all.

On September 22nd at Collier Park, we played for the Loggers' Breakfast. Welcome to a new member, John Abel of Chiloquin.

Sorry, Jerry, I forgot your August 30 birthday. A belated birthday wish. October birthdays: Irene Ruddock, 2nd; Harold Warner, 11th; Isom Patterson, 16th. All have a nice day.

Louise Pollock has been under the weather. John Lewis is home, recovering from two heart attacks, 12 days in the hospital. Take care.

Charles Wells, husband of Lu Wells, a lifetime member, passed away with cancer on Sept. 7. Our condolences to Lu and family.

Don't forget the nursing homes and Clairmont House. Help when you can.

October meeting on the 20th at Merrill Recreation Hall. Meeting 1:30, jam. Bring finger foods.

DISTRICT 2:

Hello again from District 2! We are still alive and well--and still unofficial. Our organizational meeting will be on October 12 at the Salvation Army Community Center in Pendleton. We are looking forward to some good jamming, some good refreshments, and a productive meeting.

In the meantime, we've been busy! Roundup was last week, and as any of you who have ever been in Pendleton during Roundup know, there were many, many people in town--and no lack of activity. The Roundup Fiddlers played every day at the VIP tent and also performed on Main Street and at one of the booths. They played two shows in Echo for Fort Henrietta Days on the weekend preceding Roundup, and will play again this weekend for Pilot Rock Community Day. There was a real nice jam at Roy Raley Park (right next to the Roundup grounds) on Saturday afternoon. The Tri-City Fiddle Kids (teenagers from the Pasco-Kennewick-Richland area) played on Main Street on Friday and Saturday nights. They did a great job!

Chris and Rudi Booher were in Pendleton for several days last week. Chris was performing with a band which will soon be leaving for Japan and Hawaii. (Do a good job, guys, and have fun!) And Rudi gave lessons to a few students. They were all very pleased with what they learned and are practicing hard. We really enjoyed having these boys (pardon me--young men!) with us!

In October we are looking forward to the Arts Fair on the 5th (Pendleton Convention Center), our jam/meeting on the 12th, and a show in Lexington on the 19th, put on by the Blue Mountain Old Time Fiddlers--a great bunch of people. And that's all I know for now.

DISTRICT 3:

CHAIRMAN-Don Hanna; CO-CHAIRMAN-Tom O'Neal; SEC/TREAS-Billie Kitchens

Greetings from Central Oregon where the days are sunny and clear and the nights frosty with the sky full of huge bright stars that appear almost close enough to touch. We know many of you will be heading our way for hunting, autumn foliage-viewing, rockhounding, fishing, skiing or just to visit in the next few months and we'd like to extend an invitation to come join our jam on the second Sunday. Some visitors have had a difficult time finding the Bend Senior Center where we meet, so here are the directions: from Third Street (Highway 97) take Greenwood (Highway 20) toward Burns. Go 2 blocks to NE 5th and take a left onto NE 5th. The Senior Center is across NE 5th from the bowling alley. I've stressed the location as being NE 5th because we have two 5th Streets and it seems that many of the locals do not know where the Senior Center is so cannot give directions. Just ask our visitors from Oakridge and Pleasant Hill who spent a most frustrating time trying to locate the Center this past month! We're sorry about that, folks. Now that you know where we'll be, we hope you'll come back and visit again soon.

There were 57 at our Jam on September 8, including 10 musicians. We had visitors from Medford, Milwaukie, Madras, Sweet Home, Oakridge and Pleasant Hill. Many asked where Ferril Klingensmith was, she is such a faithful member that her absence was obvious. Get well soon, Ferril, you are missed.

Birthday greetings to Billie Kitchens on October 11 and John Klingensmith

on October 27. Happy 45th Anniversary to Bernice and Don Hanson, who were married October 27, 1946. Also, Congratulations to Frances Dalton for her September 10 graduation from Beauty College.

DISTRICT 4:

CHAIRMAN-Joe Levine; CO-CHAIRMAN-Jo Barnes; SEC/TREAS-Doris Barkley

All 35 contestants in the Canyonville Fiddle Contest, August 24, were winners, each returning for a second round and putting on a good performance. Jack Walker was MC, Hazel Walker official photographer, Ray Hanson and Tom Barkley sound, and Jim and Gynn Deaton were over-all-in-charge. Many Thanks to all for a job well done. Even the weather was most pleasant. There was a warm and friendly atmosphere and a big time was had by all. Hopefully, there will be more PeeWees and Juniors next year.

Now that September has arrived, and we're back to the old routine of playing music for the senior centers and nursing homes, I'll have to mention some of the places that we were asked to play for during August. "On Track," Prospect Jubilee Days, Madison House Birthday Party, Mayflower Bus, Gold Hill Historical Society, Presbyterian Church, Fountain-Plaza and Belview Grange.

September 7 jam and dance at the Central Point Grange turned out to be a popular success. Chairman Joe Levine had a short business meeting, giving out 2 door prizes, one to Dave Winkelman and the other to Arne Jorgenson. Nearly 60 members enjoyed a delicious potluck. After 6 PM many more came to enjoy the music and dancing, until 9:30 PM. Darren Reitan showed another side to his many talents by playing the bass. Guy Kinman, Roseburg, came the farthest, and Irene and Jerry Ruddock, Klammath Falls, were our guests from District 1. Don Luker was MC, with help from Mike Klein. Zelma will MC next month and set some guidelines to follow in regards to making our program more equal and enjoyable by all. Ray Hanson has been working hard as Program Director to supply music when and where it is requested. Dorene Winkelman is our new Remembrance Chairman. If you know of anyone needing a sympathy or get-well card, give her a call. Many Thanks to Mae Baldwin for her many years of devotion to this job. She feels as though it is now time to retire.

Don Luker is home, convalescing from open heart 5 by-pass surgery on September 9. This was a great shock to all of us as he was so active at our September 7 jam, emceeing and helping with the sound. Our prayers for a complete recovery, Don, hope to see you up and about soon.

It is fun to visit other districts. We recently went to the Cranberry Festival in Bandon. District 5 put on three big jams, plus a ride on the float in the parade. The coast weather was great. Approximately 20 members from District 4 were there to join in the festivities.

Our next jam will be on Saturday, October 5, at the Central Point Grange. Doors open at 3 PM for early jamming, short business meeting at 4:30, potluck at 5 PM and open to the public at 6 PM. Please come!! Help to continue making this new time a success!

November 2 jam will be at the Central Point Grange....same time and format as October...See you soon!

DISTRICT 4N

Happy Halloween from District 4N.

Where did the summer go? We've had some good times going to different places. Lots of good food, good music and good visits.

Several of us went to Bandon for the Cranberry Festival Sept. 13-15. Beautiful weather. Larry Johnson, Bud Richardson, Louise Trimble, Kater and Marie Gates, Wes and Gayle Curtis, Glen and Sylvia Pierce had a jam session and barbecue Saturday night, and Sunday several of us sang and played at the school-Dennis and Thelma Allen, Larry Johnson, Bud Richardson, Sylvia Pierce, Louise Trimble, Guy Kinman, Dennis and Joyce Pickett and myself, to name a few.

Guy and Vera Kinman have gone to Fort Worth, Texas, for a family reunion. His brother is ill. Hope they have a safe trip.

Several of us have been gathering at the Mt. Nebo Trailer Park Rec Room on Friday evenings to jam and visit--Virdo Sigler, Jan Castillo, Guy Kinman, Bob

Joiner and others. Happy Birthday and Happy Anniversary to all of you celebrating this month. God Bless you all.

DISTRICT 5:

Lew Holt, Chairman, Al Lively, Co-chairman, Helen Weber, Secretary/Treasurer

We still have many hours to play yet in September but it is time to get the news to the Hoedowner. (We'll be playing two days in the Fun Festival in Coos Bay on the 21st and 22nd.) We were very pleased and complimented by the turn out from other districts for the Cranberry Festival on the 14th and 15th. We enjoyed having our state president, Zelma Foote and Walter as our guests for the week-end, too. We had a social on Friday night, a parade Saturday morning, played for a barbecue that afternoon, had a social that evening, and had a big jam on Sunday. Real nice week-end with real nice people. (Not a tiny bit of fog - all sunshine -- what more could we ask for!)

The good weather continued and the next Tuesday evening a group of us went to Bullards State Park to play for the campers. There were 220 people in the audience - and a good audience they were! They sure made us feel welcome.

Now we look forward to the state meeting and into October. On Saturday the 12 of October we will meet at 11:00 at Greenacres for a meeting of District 5. The main item of business will be planning our winter calendar of events. I will bring suggestions and we will add or delete.

Thanks to all of you who have been so supportive during the summer. We were busy and couldn't have done it with out you.

DISTRICT 6:

CHAIRMAN-Joy Halliwell; CO-CHAIRMAN-Bob Kaiser; SEC/TREAS-Lucille Childers
Hello--hasn't this past month been a winner? The weather has been so wonderful and we've had TEAMWORK within District 6 that has made such progress! You ALL have been so kind to respond to our requests for help! ALLISON and CURLY have done such a WONDERFUL job as program chairmen that we've even had to decline, we were so solidly booked for engagements!

We're proud of our fiddlers and our back-up people, our officers and our associate members who have worked so hard to make it all come together--YOU ALL KNOW WHO YOU ARE--GIVE YOURSELVES A BIG PAT ON THE BACK! It's been phenomenal, and we thank you kindly. Our aim is to get EVERYONE involved in some way.

At the picnic in August at Island Park, someone left a knife and a white-type beach towel and ANDREA has them. Please call 345-5706 to claim.

Did you attend the Coburg Antique Show where our fiddlers entertained from 10 to 4PM September 8? There was a lot of expensive "OLD STUFF" displayed and purchased! A very entertaining day. Someone left a package under a chair at the Coburg Inn. Was it you? If so, call CURLY, 688-1399, to identify and claim.

We had our business meeting September 15 with our jam at Willamalane. It was nice to see new faces in attendance and we enjoyed visitors from Districts 4 and 5. Many of our members were vacationing or at the Cranberry Festival, but we had a good crowd. Our new BY-LAWS require us to have FOUR business meetings per year, so we want you all to remember when we schedule one. The BUSINESS MEETING will ALWAYS begin at 11AM and we encourage you to attend. A discussion was held regarding charging admission at our jams. A motion was made and passed that we have a HOSTESS at the door requesting a dollar donation when we open our jams to the public at 1PM after our potluck dinner.

At our January (19th) meeting held at the ALBANY EAGLES we have always held our yearly "fund-raising pie auction"--Some members felt the hour it takes to

auction pies was wasteful and our members usually ended up buying all of them--A vote was taken and we dispensed with the pie auction! DON SKAIFE paid \$12 for a peach pie I baked last year and had told me he was waiting for next year's auction--DON and ANNA, attend a jam and I'll bake one specially for you both to enjoy!

WALTER ORR celebrated his 82nd birthday September 10 with a surprise party--many more wonderful years, WALTER. KEN HALLIWELL had one September 15. We all sang HAPPY BIRTHDAY to Ken.

Tragedy has again struck the WALKER family. HAZEL'S sister living in Henrietta, Oklahoma, passed away recently. To you and your family, our love and deepest sympathy.

Our next jam will be October 20 at the AMERICAN LEGION HALL in Lebanon. For our new members, we go early (10AM) to jam. We are served a delicious lunch by the Legion and the Auxiliary Ladies always have delicious desserts to purchase. Always a fun day, so come and enjoy the fellowship.

Now with cooler weather our COBURG DANCES will resume October 12th, 7PM. (Every 2nd Saturday night of each month at the COBURG GRANGE HALL.

MYRTLE and DALE'S gathering at the Golden Oaks Mobile Park has been changed from Friday to the 3rd Saturday of each month (October 19)--don't forget the Friday night dances at the different granges I told you about last HOEDOWNER.

We hold executive board meetings each month and would like to tell you if you have any suggestions or problems you wish us to consider, please contact an officer with your ideas.....see you next month.

DISTRICT 7:

CHAIRMAN-Red Arnold; CO-CHAIRMAN-Ace Wehus; SEC/TREAS-Cohleen Finley

We sure hope that all of you fiddlers had a good a summer as we did and a big THANK YOU to the officers of our district for a very interesting and fun-filled schedule of events. Red has a number of exciting things scheduled for the fall months, beginning with the OOTFA State Meeting on September 28, 1991, in Canby at the Adult Center, and then on to our regular monthly jam, which will be held on October 20th at the Elsie Stuhr Adult Center in Beaverton. To get to the Center from Portland, take Hwy 26 to 217 exit. Follow 217 to Allen Blvd exit, turn right on Allen and go to Hall Blvd. (about 3 blocks). Turn right on Hall and go 1 block. The Center will be on the right, next door to the Pilgrim Lutheran Church.

We had a good turnout for the Canby Fair. A lot of fun was had by all, and a special thank you for all of our dedicated back-up people.

The people at King City were certainly an enthusiastic group and their facility is--well, wonderful just doesn't quite describe it. Not only did we play to a full house, but they treated us like royalty. We are certainly looking forward to any return visits we might have.

Alex Steinmetz had a bad time with pneumonia and is home now. He thanks everyone for their cards and moral support. Mind the doctors, Alex....we want you back in good health soon.

Some of our fiddlers have been busy playing around the area. Someone commented that it was hard to tell the fiddlers from the monkeys when some of our players spent their day playing for the Senior Day at the Portland Zoo. We also heard that Tammy Snelling and Crew played for a lively group at the Baker Cabin. The yellow jackets certainly seem to like fiddle music.....To the other fiddlers who have been playing for retirement homes or other places where music brings happiness, thank you for sharing your talents with others.

My mom and I would like to give special mention to all of the back up people who are always there for the fiddlers and also to Kevin Snelling, who is doing the sound system for our district. We couldn't do it without you.

Have a safe and happy month..and keep on fiddling...

Jason and Cheryl Barlow, Reporters

DISTRICT 8:

CHAIRMAN-Don Simons; CO-CHAIRMAN-Lew Standiford; SEC/TREAS-Faythe Maahs

It was good having Don Simons back with us for the jam with South Salem Seniors at the Scottish Rites Temple Sept. 15. There were 21 entertainers who

played to a full house, leaving very little room for those who wished to dance. Those having birthdays in August (7) and Sept. (4) were recognized. The two Joy Smiths and their spouses celebrated wedding anniversaries in Sept. as well as two other couples. Congratulations to you all.

Jams coming up are Oct 20 at the Lincoln City Grange. Doors open at 10 AM with potluck at noon and open to the public at 1 PM. The grange is just off 14th St. There are green highway information signs on US 101 and a light at the street. Nov meeting will be at the Woodburn Grange on the 17th. There is to be a meeting at the Woodburn Grange at 11 AM so please put this date on your calendar.

Chairman Don wishes to clear some minor problems that have caused misunderstandings in the past. There are some fiddlers who feel they were passed over by another fiddler. What really happened, the fiddler was asked to play with another person, so appeared on the stage before their regular turn. Seldom is a person allowed to play out of turn, it has to be a special reason.

For those of you who were awarded trophies that need the name plates changed, please carefully peel off the plates and send to me so that I can get the correct color and size. Send to PO Box 487, Canyonville, OR 97417.

Since it would take a zillion personal notes to thank everyone who helped at the contest, I will try to do it here, OK?

District #4 for the use of the sound system and Ray Hanson and Tom Barkley for monitoring. District #4 also sponsored a trophy and I think was responsible for the beautiful corsage presented to me at the contest.

Shorty Dow was the #1 assistant to the M.C. and general all-around helper. Jack Walker did his usual good job as M.C. with Hazel Walker again taking her wonderful pictures. Maxine Benson, Martha Warwick, and Etta Powell did the sign-up work with Martha and Etta doing the score computation. Faythe Maahs and Zelma Foote took care of the accompanist judging while Starr McMullen, Wally Bloom, and Bob Heinith judged the fiddling. Judges helpers were Doris Barkley, Vera Virtue, and Fran Heinith. Pauline Winslow and Joyce Grissom sold tickets and Charlotte Dow sold tapes, etc. Lloyd and Esther Shriber were door guards. All of these good people were volunteers and that's what keeps our contest going along with you musicians and listeners. Thanks to all of you for making this 25th annual contest special.

I thank all the contest sponsors and especially Edna Yohey and June Secor for trophy donations. We came out OK financially even with the increased prize money. The beautiful basket of flowers presented to Jim and I during the evening program was a wonderful surprise. Thank you, OOTFA!

Jim and I joined our clan for a get-together at Reedsport over the Labor Day holiday and caught our limit of crab but unfortunately did not catch the big money one...Had a good time and hope that all of our fiddle friends had an enjoyable holiday as well. Jim & Gynn Deaton

FOR SALE: 4-channel amp and 2 speakers--good for jams, etc. Almost like new. Also, 1/8 size and 1/2 size fiddle. Stan Gonshorowski, 343-5868.

"This is the year when we have learned to grow old, Cornelius and I. How I have dreaded it all my life—the giving up, the 'not being able' to do this or that. But now that we are here, and truly settled in, it is like a whole new era, a new world, and I have moments of pure joy such as I never experienced before. It has to be set against pain, fatigue, exasperation at being caught in a dying body, but when I see the tears shining in Cornelius's eyes when he is moved, I feel as if every day the naked soul comes closer to the surface. He is so beautiful now." May Sarton in *Kinds of Love*

EDITOR'S NOTE: "No one should be allowed to play the violin until he has mastered it" is a quote from one of the humorous sections of the June, 1991, Readers' Digest. It was meant to be humorous and was not intended to be offensive and was not a statement made by any particular person about any other particular person.
