FROM YOUR TOE TAPPEN PRESIDENT: The 25th Annual Convention is history. It is said, "The best and most beautiful things in the world cannot be seen or touched but are felt in the heart." That is how I feel about how wonderful all of you were at the convention to help make it successful. Thanks to all of you for a job well done.

At the 25th OOTFA Annual Meeting the State Officers were re-elected for another year. Thanks for your confidence in us. We will strive to do our best.

Now to the Oregon Certified Contest May 15-17, 1992, in Lebanon. Begin getting those tunes ready to play. Enclosed you will find the schedule. To get warmed up, you had better drop over to Lincoln City April 10-11, 1992, and have a little fun.

My quote: "The best thing for gray hair is a sensible head."

## DISTRICT 1:

CHAIRMAN-Irene Ruddock; CO-CHAIRMAN-Sandy Sandusky; SEC/TREAS-Faye Patterson

We had a very good turnout for our February and March jams. For our March potluck we had stew. I wanted to color the stew green for St. Patrick's Day, but they didn't think much of my idea. The new officers for the coming year are: Faye Patterson, Chairman; Irene Ruddock, co-Chairman; Harold North,

Sec/Treas. Taking this opportunity to let our past officers know we appreciate all the good work and devoting their time the last two years.

Isom Patterson and his crew did a great job on the Merrill Recreation Hall. The stage was moved to the other end of the room, they took out a wall, and the best part of the remodeling is the new door. Thanks for a job well done. We gave the Park Board \$150 to use for the Recreation Hall.

For the State Convention Cherie Lane made an afghan, Irene Ruddock made two centerpieces and wooden name tags, and Faye and I decorated straw hats.

We have two on the getting-well list. Jack Pollick had eye surgery, and Doug Peterson had a stroke. Both are doing well. Doug was at the March meeting playing up a storm with his spoons.

Happy Birthday to Dorothy North and Ray Lane, April 14. Hope you have a nice birthday. Phylis Voshall--March 18. Wedding anniversary--Phylis and Richard Voshall on April 3. Have a lovely day.

Call Irene Ruddock for dates to play at nursing homes and Clairmont House. Our snowbirds, Don and Helen Fleming, are on their way home. Hope to see them at our April meeting.

Esther and Merlin Ford of District 4 spent a day with my husband and me. Esther retired in November. They stored their belongings, packed their trailer, and are going on the road for two years. Happy Traveling.

April meeting will be April 19 at the Merrill Recreation Hall. Easter potluck dinner. Please note--eat at 1:00, meeting 1:30, jam at 2:00. Please bring own table service. If you have a special dish for Easter dinner, why don't you make it for our potluck.

Happy Easter.

CHAIRMAN-Don Haley; CO-CHAIRMAN-Pam Wachter; SEC/TREAS-Beth Hansen

Spring is here! WOW!!! Isn't this wonderful? It's been a very mild winter anyway, but this sunshine is just absolutely marvelous! I'm afraid my spring fever inclines me to a lot of "fiddling around." May the same be true for all of us!

We had a great jam on the 14th at the Salvation Army with Curt Claughton, Paul and Obie DeWebber, Kathleen ?, Marie Hardesty, Joe Smart, Les Simmons, Brandy Jones, Andrea and Jennifer Haley, Casey Willis and myself on fiddle. Most of these people also played one or more backup instruments. We also had Frank Moore, Peter Willis, and Allan ? playing guitar, and Jan Stith and Cindy Powell did several vocal numbers. Curt and Les played bass. Hope I didn't forget anyone's name. We had a great time even though the audience was smaller than usual. After the show and refreshments we jammed informally and several other musicians joined us.

We are not planning on sponsoring a jam during the month of April. The first Saturday (April 4) there is a show in Pilot Rock (only 15 miles from Pendleton). On our usual meeting time, the second Saturday (April 11), there is a show in Irrigon. Both of these shows are sponsored by Blue Mountain Old-Time Fiddlers. We encourage our musicians and audience to attend these two events. They will be great--guaranteed!

In May we hope to have a meeting--followed by a dinner--followed by our usual monthly show. Plans are in the works for this now. By next month I should be able to fill you in on the details.

The last "kids' jam" at my house brought out 10 young fiddlers and 2 guitar players. Isn't that great! It sure is exciting to watch these beginners develop. Some of them are on the verge of becoming good!

We were unable to send anyone to the state meeting because most of our members are younger people (not retired) who have to go to work every day and were unable to travel such a distance. We really feel bad about this, but I guess we should just be happy with the good beginning our district has had these past few months. Maybe next year....

Some of us are planning to travel to the state contest in Lebanon. Hope to see you all there! Happy Fiddlin'!

### DISTRICT 3:

CHAIRMAN-Don Hanna; CO-CHAIRMAN-Tom O'Neal; SEC/TREAS-Billie Kitchens

Spring has arrived in Central Oregon with flowers in bloom and the pastures dotted with new calves and lambs. We didn't have much snow this winter, but there is enough to coat the Cascade peaks with glistening white while the roads remain dry and bare, so why don't you come over and join us at our Jam on April 12th?

Our March 8 Jam brought out a record audience of 112 who signed the guest book. We had 12 of our OOTFA musicians, (a special welcome to Johnny Swearingen form LaPine) plus 3 guests. We all missed Ed at the piano, but it was his birthday and we hope he had a happy one with friends and family. Our guests were Julia Milleson and Darlene Austin, both from District 9, who delighted us with a song and accordion music, and Kelly Thibodeaux, a fiddler originally from Baton Rouge, LA, now residing at Odell Lake. If any of you have an opportunity to hear this young man fiddle and sing, don't miss it. He plays Cajun, plus old favorites and new melodies. Kelly's entertainment added a lot to our program and we hope he will return.

April birthday greetings go to Marc Wodtli on the 14th; Cliff Harris on the 24th; Evelyn Martin on the 27th and Tom O'Neal on the 28th. Anniversary congratulations to Lee and Don Hanna on the 9th; Jane and Darrell Thompson on the 16th; A SPECIAL CONGRATULATIONS TO Betty and Tom O'Neal on the 18th for 50 YEARS; and Shirley and LeRoy Sims on the 27th.

We hope to see many of you at the Lincoln City Contest. The Elks at Lincoln City roll out the welcome mat to the OOTFA, so if you possibly can make it, be there. The Lodge is open for our use; showers, hot tub, dining room, plus free parking. All they ask in return is for us to have a good time and jam, which the OOTFA do so well. Mark April 10-11 on your calendar and let's have a good turnout and lots of fun!

Our next jam is April 12, 1:30-4:30 p.m. at the Senior Center in Bend: 1036 NE 5th Street.

### DISTRICT 4:

CHAIRMAN-Joe LeVine; CO-CHAIRMAN-Pauline Winslow; SEC/TREAS-Doris Barkley

Talent seemed to be a popular location for the March 1 Jam. There were 45 who enjoyed a delicious potluck, and over 100 members and visitors enjoyed an afternoon of music and dancing. During the short business meeting election was held. Our officers for the coming year will be: Chairman-Joe Levine; Co-Chairman-Merle Pasley, Sec/Treas-Doris Barkley. Door prizes were won by Freda Serpa and Cliff Cooper. Sound by Merle Pasley, and Vic Flood was MC. Apologies to Mildred Kelsey for omitting her name as one of the helpers at the Spaghetti Feed. She did a fine job.

A group called "The Siskiyou Music Makers" from Northern California joined us for a lot of fine music. Extending a personal invitation to Jam at the Hornbrook Grange on Saturday, April 25th, from 1:00 PM to 5:00 PM were: Bill Irvine, Virginia Cole, Bertha Bloodworth, Jim Coleman and Linda Gilman. There will be a \$2.00 donation and the Grange will have booths to supply the food. Let's all go and enjoy our southern neighbors' hospitality.

Also, on Sunday, a new group of musicians from Ashland who delighted the crowd with their music were Leigh Ellis, Julie Peterson and Paul Verenco.

Ruby Downing brought her friend, Selma Hazen, who was celebrating her 98th birthday. Selma received a standing ovation and Many Happy Returns from the Fiddlers.

Jack Lester would like to thank one and all for the many cards and get-well wishes during his recent surgery. Nice to see Jack back, as well as Olive Davis, recovering from a broken wrist, and Walter Foote, feeling better after breaking 3 ribs. Faye and Isom Patterson were our guests from District 1. Always glad to see them.

Our next Jam will be on Sunday, April 5, at Jerome Prairie, Grants Pass. Doors open at 10:30 a.m. for early jamming, short business meeting, potluck at noon and open to the public at 1:00 p.m. May 2 and June 6 Jams will be on a Saturday in Central Point.

Convention will be done and gone by the time you read this. Hope you were able to go and had a big time.

DISTRICT 5:

Lew Holt, Chairman

Al Lively, Co Chairman

Helen Weber, Secretary/Treasurer

Alice and I just got home from the state convention. After 4 days of music and friends, it sure is a quiet Sunday afternoon as I sit down to write the Hoedowner news. I would rather be back at the convention. But back to reality. We started off the month by playing at the Senior Center in Reedsport on the 3rd. We were pleased to have Bill and Vivian Stern there that afternoon. They joined and then didn't miss a minute of the convention - as well as bringing home a nice prize. The 10th we played in Myrtle point at the nursing home. After this news goes in we will have gone to Life Care and to St. Catherine's on the 24th and will have played for the Rebeccas in Coquille on the 31st.

Saturday, the 14th, found us back at Greenacres. Last month I extended an invitation to you all (you don't need an invitation - you are always welcome) to come and see us at Greenacres. Walter and Bessie Hari from Salem came all the way down. Lloyd and Esther Shriber from Eugene were there and we put Lloyd to work as MC. And from Roseburg we had Larry Johnson, Ida Johnson, Guy and Velma Kinman, Dennis and Thelma Allen, Norma Zeigler and Jan Costello. Besides all of these fine friends, we had a big turn out from our own district. But we do like to have company.

We had a District 5 business meeting that morning and elected Pat Kraemer our new chairman. We wish him well for the coming year. We are behind you all the way Pat. Lew Holt was elected co-chairman and Helen Weber will be our secretary-treasurer again. We voted to donate \$200 to the State Contest.

Now we look ahead to April and May so you can mark your calendars. The 3rd and 4th of April will find many of us in Crescent City at the contest. The 10th and 11th will find a lot of us going the other way to Lincoln City. The afternoon of the 18th we will go to Broadbent to play for the spaghetti feed at the grange hall. They start serving about 4:30 and we play most of the evening so bring your appetite and your fiddle and join us. We are appreciated there, as much if not more, than any place we play, so we want to give them a good show. The Broadbent Grange Hall is a few miles up the road towards Powers from the Powers - Hwy 42 junction.

Just as April is different, May will bring us a new schedule. On Saturday, the 2nd, we will be in the Senior Center in Coos Bay starting at 7:00. The gang said bring finger food - so let's do it. We'll be playing some dance music. On Saturday, the 23rd, I want to encourage all of you that can to head for Brookings and the Azalea Festival. We will be playing starting at 1:00 in the High School Drama Room. It is a good facility and we always have a large audience. We need all of you and many more.

DISTRICT 6:

CHAIRMAN-Joy Halliwell; CO-CHAIRMAN-Bob Kaiser; SEC/TREAS-Lucille Childers

By now everyone is rested from the wonderful time they had at Convention. It's always so nice to visit with all our many friends from across the state and out-of-state. With this going to press early (March 13th) new names may surface and we welcome them aboard, but we certainly want to tell our officers who have served us so well this past year that we appreciate very much the mighty fine job they've done for us. We realize the devotion, endless hours they've spent, horrendous headaches they've suffered, as well as sleepless nights they've had all because of the DEDICATION to a job WELL DONE! We love you and thank you kindly.

If you like to travel, may I suggest attending the Redwood Country Open Fiddle Contest at the Del Norte County Fairgrounds, Crescent City, California, April 3 and 4. It's such a beautiful drive and so many interesting attractions along the way. JOHN and WAYNE think us girls want to stop at everything with an "open" sign in the window!

I keep reminding you of our next FUN engagement--LINCOLN CITY ELK'S CLUB, April 10-12. We do hope you have your plans made--see you there!

We were sorry to learn that ANNA SKAIFE lost her brother who lived in Silverton very suddenly this month. To ANNA and her family, our love and deepest sympathy.

IN MEMORIAM: BILL YOHEY April 4 - 1991-April 4, 1992 to EDNA and family our love - What memories he left behind - We miss you BILL.

I don't know if you've heard, but JOY HALLIWELL'S son DALE HELMS and his Paraguayan bride ANI are visiting her and KEN. It's a special time because ANI doesn't speak English! DALE served 2 1/2 years in the Peace Corps in Paraguay. ANI is a gifted artist and is creating some interesting "fiddle" items. Perhaps you met her at Convention. If you see ANI say BIEN VENIDOS (B N vay nee o's), which means WELCOME in Spanish (hope my source is correct!)

ALFRED ABRAMSON is recovering well from sickness, as is CURLY ROBERTS from oral surgery and WANDA DAVIS from extensive tests and BOB KAISER has cataract surgery March 23, and we hope ALL of you are well and sassy by now! When folks get sassy, you know that they are on the road to recovery, huh?

This month we have two anniversaries - DON and ANNA SKAIFE (17th) 57 years, and ED and ROSALIE RUSSELL (24th) 29 years, and many birthdays. We'd like to send a special HAPPY BIRTHDAY to a young man who will be 8 years old April 5th, ADAM JOHNSON, and to an older gentleman celebrating the same day, WALLY BLOOM! JANET BURGESS (8th), our very own BARBARA GARCIA (13th), BOB KAISER (20th), DEE DEE KAISER (22nd), and FRANCES ORR (27th) - to you all and all others, many happy returns of the day.

Our next JAM is going to be "different" and don't ask me why because you can sound off and vote your thoughts by attending the meeting to be held at the JAM, April 26, 11 a.m., COBURG GRANGE! Instead of potluck, bring your weekly allowance. The Grange ladies will be selling sandwiches, pie and coffee for the noon meal. We will JAM all afternoon with DEE DEE KAISER, Coburg's talented EMCEE, at the helm! See you there.

We've received our new shipment of name tags, so we're ready to fill your orders. Call LUCILLE 688-2976 - \$6.50 each.

Enjoy this delightful weather and have a HAPPY EASTER.

#### DISTRICT 7:

CHAIRMAN-Red Arnold; CO-CHAIRMAN-Ace Wehus; SEC/TREAS-Cohleen Finley

The April jam will be at the new Hillsboro Senior Center. It is a new building and will seat 200 people. The Crescent City Contest will be the same weekend, and a lot of our district people will be going to California. We will need every musician we can find to keep this crowd happy, so if you are available, please come out for this potluck and jam. To find the building, go east on Highway 8 until you reach Hillsboro. Shortly after you pass the Sunset Espanade and a Texaco Station, there will be a sharp curve in the road (at Shute Park). Get into the left lane and turn left at the next light. The aquatic center is on the left at the intersection. Go straight about a block and the senior center is on the left. Doors open at 11 a.m. with a potluck at 12 and the jam will begin at 1:00 PM.

This has been a tough month for several people in our district, healthwise. Wayne Walters and Bob Fast are both feeling under the weather, and Elizabeth Steinmetz fell and broke her arm. Forrest Focklin spent a week in the hospital and still is not doing 100%. Ruth Indergard is seriously ill and in the hospital. Jason Barlow has been ill for about a month and is starting to feel better now. Not a good way to spend your birthday, huh Jason?? These people would love to hear from the rest of us, so take a minute and let them know we care. As for you sickies, we hope to have you back real soon.

Speaking of caring, it's a good time to thank Red Arnold for a job well done, and Kevin Snelling gets another big THANK YOU for doing our sound system for the district events.

Good Luck to everyone going to the contest in Crescent City and hope to see you all in Lincoln City. Happy Spring to all of you!!!!

The lovely weather has been good for the fiddlers of District 8. 'Tis always good to get away from the work at home and make music instead. The jam in Willamina was well-attended, one of those who got out was Leonard Maahs, sure good to see you out and hear your good music, Leonard. Those from other districts were Larry Johnson, Alice and Lew Holt, Jim and Elouise Ramsey, Chuck and Ann Williams and the children Shorty Allen is helping, Teresa and Mathew Lundy. Good having you, and please come again. On Saturday evening of the 21st some of the fiddlers played for a benefit for a family to help with expenses during an unexpected crisis. Don got a nice Thank You from the Buel Grange for the fiddlers who played for that. Leonard was able to be there also.

The next jam will be at the Scottish Rite Temple in Salem on Commercial Street. This will be a benefit for the Disabled Veterans (D.A.V.) of Salem. Doors open at noon, you can brown-bag it or eat at your favorite dining place. There is a restaurant across the street. We keep coffee donations.

Happy Birthday wishes for April go to Carol Ann Ede, Leonard Maahs and Edna Riche. Anniversary wishes go to Don and Lois Wood and Michael and Frances Grace.

We who can't play but do listen do thank all players for your wonderful music and wish you all good luck at the contest in May at Lebanon.

Greetings from your newest district. We have the bit in our teeth and are off and running on a great start.

Our Feb 15th meeting was held at Sutherlin Grange and very well attended. We were happy to see our faithful back up Virdo Sigler well and back with us. We had about 150 people, with guests from Districts 4, 5 and 6. Honored guests were Ila Mae and Mark Carmickle, past state president, and Shorty Dow, our national representative. A cakewalk was held during the Jam, and a cake auction after. We raised \$210.74 for our district coffers from this enterprise. Many thanks to the lovely ladies who donated these cakes. We had a great Jam, and over 30 people signed up to play.

On Feb 29th a benefit was held for our Sec/Treas Bob Joiner following the loss of his wife, Terry. Almost \$1200 was raised for him. Many thanks to all of the wonderful, caring people who came out and donated.

Our March 7th Jam was held at Sutherlin Grange. We had a short meeting. Following the meeting and finger-food lunch we had a great Jam. About 108 people were present. Zelma Foote, our state president, and her husband Walter were present. While we realize Walter has been ill, he can still play a mean fiddle and sure did a great job of it at our Jam. Our next Jam will be at Myrtle Creek at the Grange Hall on April 4th. We will have a meeting at 11:00, potluck at 12:00 and Jam from 1:00 till ?

From BMOTFA **Rosin Dust**: From AARP Bulletin, Feb. 1992, "The Amazing Power of Music" Music's Muscle--Whatever the potential of music therapy, there's no question that more people are taking it seriously. Congress is getting ready to amend the Older Americans Act to authorize funding for research, training and education in music therapy. A bill to effect such changed passed the Senate last year after Oliver Sacks and a chorus of health professionals, musicians, patients and relatives sang its praises at a Senate Aging Committee Hearing. Congress is expected to approve the final bill early this year. Sacks believes the right kind of music may be of special benefit to people with neurological disorders--and may even move those who can't walk to dance, those who can't speak to sing, those who can't remember very well remember. At Beth Abraham Hospital in the Bronx he noticed that music sometimes evoked a response when other forms of stimulation failed. The beat of jazz prompted one woman to pick up her fork and feed herself, a younger man would eat to rock 'n' roll, a 65-year-old woman who had been silent for 40 years reached back across the abyss to retrieve every word of "Just a Song at Twilight." Music can be useful and get the results other therapies can't. It's a way to connect or get through to some who are not reachable. (J and B add "Anyway, it's FUN, especially when you can produce some yourself.")

Hello Dear Fiddlin' Friends,

Think of everyone so often but never seem to get pen on pad in time for the Hoedowner deadline.

Tony continues to get exposure around here. But hasn't hit the big time yet. He's done real well in some of the talent contests. He tied for 1st place in biggest one here. He also won 1st place (adult division) in another. He's doing a few auditions here and there and plays some with a small band. He did real well in all the 1991 fiddle contests. There's quite a few in MO. In Nov. the World Championship Contest was held in Branson. He won 1st in the under-21 Division and 2nd in the Championship Division. Bill and I are still enjoying all the wonders of Branson and would love hearing from you or if you get to Branson give us a holler! 1013 Highland, Branson, MO 65616. Can you believe Tony is 16 now and driving?

Love to all from Branson MO. Missin' all! "The Spatz" Bill Winona and Tony
